

TREE TO ME

DONATE A TREE & HELP SAVE OUR KOALAS

Our goal is to plant 10,000 trees every year to provide a continuous supply of fresh yummy eucalypt for our wild koalas.

By donating to our Tree To Me Program you will be helping us continue to plant eucalypt trees in our Plantations, and ensure koalas undergoing treatment at the Wildlife Hospital receive the best level of care possible.

Did you know that koalas are classified as vulnerable in Queensland? Sadly, this means there is a real and significant risk of koalas becoming extinct in our local area.

Your tax deductible donation will contribute to saving these beautiful Aussie icons.
